

C.C.O. Report for S.C.A.A. 19th October 2005.

The Somerset Coaching Group had to be postponed as fellow coaches were away at other events, also our guest speaker, Michael Baton, a bowyer and fletcher from Somerset was ill with a virus.

Grade 1. Coach Course which is being run by Jan Martin, with Graham Bunting and myself as Mentors and Assessors is still on line to be finished by early Spring, hopefully we will have another six coaches for Somerset Clubs.

County Coach Course which is being run by Richard Jones and Jan Martin is still on course to be finished by late Spring, Graham Bunting and myself are the only two from Somerset.

Graham Bunting is in America and has been for the last three weeks spending time with clubs and schools associated with archery so hopefully he will come back with a lot of bright ideas.

We have already started communicating with them through Messenger.

The new Disabled club at Danesfield is up and running with the help of a £2000 grant.

Any coaches/tutors from other clubs who wish to help disabled archers are **more** than welcome to attend, details from Doug Human.
