6 Any Other Business

It was agreed that a letter should be written to GWAS complaining about the EAF decision to stage the National champs on the same weekend as the GWAS regional champs and request it be forwarded to EAF. Other counties in the region should be canvassed for support.

Chris advised the council that he has taken over from Hugh Soar as the regional archivist

Alex passed to Chris a record of the Battle of Britain shoot going back to the 1970's. He also had entry forms for the Coastal clout and York/Hereford tournaments available.

Damian advised that the club mailing list is now complete with the exception of Mendip. He also raised the issue of tournament entries. It appears that large events are booked up early but smaller club events are suffering from a lack of competitors. There was some discussion but no solution.

Paul advised that he has changed jobs and no longer has a vehicle capable of towing the trailer to take equipment for the Battle of Britain/Interclub. To be discussed further.
