6 Any Other Business

- a) There was considerable discussion regarding the future of council meetings. The outcome was a proposal to add as an agenda item that the council hold two meetings a year. In the Spring the AGM and a pre season meeting and in the Autumn a post season meeting. A change to the meeting frequency will require a change to the constitution which can only be done at the AGM.
- b) It was proposed to add an agenda item that officers may only serve in any position on the council for a maximum of three years and that they may not fill that position again for three years.
- c) Chris Hassall reported on the Intercounties and that the average scores are up 100 points on those of ten years ago.
- d) Thanks has been received for cards sent to Royette Chapman, Dawn Davies and Richard Tunstall.
- e) Doug Human proposed a change of venue for the junior GWAS and SCAA champs to allow more bosses. Record status for the 2006 tournament has already been obtained so Burnham will be the venue. After considerable discussion regarding transport costs/location/manpower etc it was agreed that Amanda Tompkins would look for other suitable venues.
- f) Andrew Rees asked that the secretary write to GNAS regarding the new policy for archers representing their country funding and self funding.
