

SCAA AGM – 2004 – SECRETARYS REPORT

Not so much a report as some thanks that I think are due from the council and the archers of Somerset:-

Firstly to Amanda for all her efforts over many years in organising the County Interclub Tournament – I know she will help the new organisers and that it will continue to be known as ‘Amandas Shoot’! Also to wish her continued success with the Junior Champs.

Next to Tim and Ann for even more years organising the Battle of Britain FITA – a great success both for the County and for the Royal Air Force Association to whom a large donation is always made.

Lastly to Chris for his efforts for coaching at all levels. It is very sad that archery is losing his knowledge and expertise. I hope that GNAS will take note of his actions (and many like him) and take stock of some of their policies – I believe it is time they got back to looking after archers.
